Advance-Nilfisk Parts - Think about how long and tedious it would really be to tidy up right after a party, with out assistance from machines. Previously, the dust from carpets and upholstery had to be beat out of them by hand; brushes, cleaning cloths and brooms were the leading cleaning products during that time.

P.A. Fisker, the founder of Nilfisk-Advance, was an electrical engineer who really loved working with electrical motors. Founding the business in 1906, he started to produce motors to drive machine tools, coffee grinders, drills and fans. Mr. Fisker's vision from the beginning was to have an international company advertising goods worldwide.

The Nilfisk C1 was an incredible breakthrough for the cleaning trade. This ground breaking vacuum cleaner, invented by Mr. Fisker, weighed just 17.5 kilos and could be operated by a single person. This invention came in a time where many cleaning equipment were very big and required at least 4 operators, hence, the Nilfisk C1 transformed everything and evolved the method we clean forever. The genius behind these very first cleaning equipment remains unparalleled. Cleaning equipment offer an excellent solution to an ongoing dilemma; things get filthy and must be cleaned on a regular basis, without a lot of effort.

Slowly, the business Nilfisk-Advance developed throughout the years. During the the early part of the 1980's the company expanded more rapidly when the business became a part of the NKT Group. With new owners on board, they concentrated on driving Nilfisk-Advance ahead within the business, aiming to be an active worldwide player in producing professional cleaning equipment. Nilfisk-Advance is now found in every part of the globe due to steadily obtaining numerous small businesses in order to develop their product selection and presence in new markets. They are really proud to provide a range of cleaning solutions to meet every need.
